In fact, it’s all about the inner beauty within the young girls. That’s why 12-year-old Kierra Woods is shipping all the way to Orlando to compete. Kierra Woods, the National All American Lima City Queen says, “You learn a lot of confidence and you definitely learn how to get up on stage and really be yourself.”

The New York Times bestselling author of The Rules of Magic is at her haunting, thought-provoking best with these interconnected stories about a Long Island family. Alice Hoffman casts her spell over a neighborhood filled with dreamers and dreams as she evokes the world of the Samuelsons, a family torn apart by tragedy and bound together by devotion. As Gretel grows up, she is witness to the breakup of her parents' marriage, the ups and downs of her cousin Margot's search for love, the deterioration of a brother who passes up Harvard for a job at the Food Star, and emotional explosions that shatter the suburban quiet...

Maggie, Lindsey and Nina grew up together in a dead-end Florida town. Now 19 and restless, they spend empty summer days bouncing between unfulfilling jobs, the beach and their favourite local bar. It's there that a chance encounter with movie star Sam Decker on the last night of his life changes everything. Obsessed with celebrity magazines, the girls revel in his company. But the appearance of Lila, the estranged former member of their group, turns the focus to long-buried issues which force them to see one another as women instead of as girls.

There are two kinds of people on the island -- those who leave at summer's end...and those who are left behind. Kendra and Mona are best friends, local girls who spend their summers catering to rich tourists and the rest of the year chafing against small-town life. Then Mona's mom marries one of the island's rich summer visitors, and Mona joins the world of the Boston elite, leaving Kendra and Martha's Vineyard behind. When Mona returns the following summer, everything is different. Now Mona spends her days sunbathing with her private-school friends, while Kendra works at The Willow Inn -- a job she and Mona once hoped to do together. Unlike his sister, Mona's twin brother Henry hasn't changed. He's spending his summer the way he always has: with long, quiet hours fishing. Early mornings before work become special for Kendra as she starts sharing them with Henry, hoping he can help her figure Mona out. Then Kendra hatches a plan to prove she's Mona's one true friend. She'll uncover the identity of the twins' birth father, a question that has always obsessed Mona. And so she sets out to unravel the seventeen-year-old mystery of the summer boy who charmed Mona's mother. But are some secrets better off staying buried?

Told from Gretel Samuelson's sly and knowing perspective, Local Girls charts her progress as she navigates from childhood to the brink of womanhood, picking her way though the tragedies and absurdities of everyday life in a family which is rocked by divorce and disaster, bad judgement and fierce attachments. Her father has left them, her chain-smoking mother, Franny, is falling apart and refuses to learn the simple lessons of life, her perfect brother has fatal flaws, and even her best friend Jill - blonde, enviable and beautiful - is moving too fast into the unfathomable world of women.

Whatever happened to Bozo the Clown, to Aunt Norma, to Solomon C. Whiskers, those television celebrities who hammed it up between cartoons and contests during local kids? shows? In Hi There, Boys and Girls! America?s Local Children?s TV Programs, Tim Holllis tracks down the story of every known local children?s TV show from markets across the United States There have been many books about children?s television on the networks, and such shows as Captain Kangaroo, Howdy Doody and Sesame Street are legends in broadcasting. For every performer on the scale of a Captain Kangaroo or a Buffalo Bob, there were five or six local personalities who were just as beloved by their viewers - and sometimes even more so - since these local stars could be counted on for appearances at stores, children?s hospitals, and shopping centers, where kids could meet them face-to-face. Hi, There, Boys and Girls! Includes a capsule history of this programming from the earliest days of radio to the early 1970s, when a combination of social changes and broadcast regulations sent most of the hosts into retirement. Walt Disney observed that while there is very little adult in a child, there is a lot of child in every adult. This book will bring back a flood of long-submerged memories for anyone who was a child during this golden era. Includes Uncle Walt (Sickles), Miss Nancy (Stillwell), Flippo the Clown, etc.

Gosport, Hampshire, 1943. Ruby has been living and working at the Point of No Return pub since her parents were killed by a bomb. She loves the bustle of the pub; it helps take her mind off worrying about her fiancé, Joe, away fighting in France. Singer Sylvie is out for all she can get, including Joe, but party girl Marge is a great friend to Ruby and makes sure they have fun, though she's not as fond of her other role as a mother to two young children.The three face many obstacles to fulfilling their dreams, but the bonds of friendship keep them going through the darkest of times...

New York Times Bestseller "Dark and twisty, with white-knuckle tension and jaw-dropping surprises." —Riley Sager, New York Times bestselling author of Home Before Dark In this smart and chilling thriller, master of suspense Mary Kubica takes domestic secrets to a whole new level, showing that some people will stop at nothing to keep the truth buried. People don't just disappear without a trace… Shelby Tebow is the first to go missing. Not long after, Meredith Dickey and her six-year-old daughter, Delilah, vanish just blocks away from where Shelby was last seen, striking fear into their once-peaceful community. Are these incidents connected? After an elusive search that yields more questions than answers, the case eventually goes cold. Now, eleven years later, Delilah shockingly returns. Everyone wants to know what happened to her, but no one is prepared for what they'll find… Look for these other riveting thrillers by Mary Kubica: The Good Girl Pretty Baby Don't You Cry Every Last Lie When the Lights Go Out The Other Mrs.

Over the course of the long eighteenth century, a network of some fifty women writers, working in French, English, Dutch, and German, staked out a lasting position in the European literary field. These writers were multilingual and lived for many years outside of their countries of origin, translated and borrowed from each others' works, attended literary circles and salons, and fashioned a transnational women's literature characterized by highly recognizable codes. Drawing on a literary geography of national types, women writers across Western Europe read, translated, wrote, and rewrote stories about exceptional young women, literary heroines who transcend the gendered destiny of their distinctive cultural and national contexts. These transcultural heroines struggle against the cultural constraints determining the sexualized fates of local girls. In Heroines and Local Girls, Pamela L. Cheek explores the rise of women's writing as a distinct, transnational category in Britain and Europe between 1650 and 1810. Starting with an account of a remarkable tea party that brought together Frances Burney, Sophie von La Roche, and Marie Elisabeth de La Fite in conversation about Stéphanie de Genlis, she excavates a complex community of European and British women authors. In chapters that incorporate history, network theory, and feminist literary history, she examines the century-and-a-half literary lineage connecting Madame de Maintenon to Mary Wollstonecraft, including Charlotte Lennox and Françoise de Graffigny and their radical responses to sexual violence. Neither simply a reaction to, nor collusion with, patriarchal and national literary forms but, rather, both, women's writing offered an invitation to group membership through a literary project of self-transformation. In so doing, argues Cheek, women's writing was the first modern literary category to capitalize transnationally on the virtue of identity, anticipating the global literary marketplace's segmentation of affinity-based reading publics, and continuing to define women's writing to this day.

An astonishing World War II story of a trio of fearless female resisters whose youth and innocence belied their extraordinary daring in the Nazi-occupied Netherlands. It also made them the underground’s most invaluable commodity. May 10, 1940. The Netherlands was swarming with Third Reich troops. In seven days it’s entirely occupied by Nazi Germany. Joining a small resistance cell in the Dutch city of Haarlem were three teenage girls: Hannie Schaft, and sisters Truus and Freddie Oversteegen who would soon band together to form a singular female underground squad. Smart, fiercely political, devoted solely to the cause, and “with nothing to lose but their own lives,” Hannie, Truus, and Freddie took terrifying direct action against Nazi targets. That included sheltering fleeing Jews, political dissidents, and Dutch resisters. They sabotaged bridges and railways, and donned disguises to lead children from probable internment in concentration camps to safehouses. They covertly transported weapons and set military facilities ablaze. And they carried out the assassinations of German soldiers and traitors–on public streets and in private traps–with the courage of veteran guerilla fighters and the cunning of seasoned spies. In telling this true story through the lens of a fearlessly unique trio of freedom fighters, Tim Brady offers a fascinating perspective of the Dutch resistance during the war. Of lives under threat; of how these courageous young women became involved in the underground; and of how their dedication evolved into dangerous, life-threatening missions on behalf of Dutch patriots–regardless of the consequences. Harrowing, emotional, and unforgettable, Three Ordinary Girls finally moves these three icons of resistance into the deserved forefront of world history.

“Darkly delicious . . . Nice Girls is about the girlhood we never really leave behind, and what happens when we dare to confront our past demons. A pulsating mystery with a narrator you won't soon forget.” — Laura Dave, #1 New York Times Bestselling Author of The Last Thing He Told Me "If you’re a total true crime addict, Catherine Dang’s debut novel will have you hooked real fast." — Cosmopolitan A pulse-pounding and razor-sharp debut with the emotional punch of Luckiest Girl Alive and All the Missing Girls that explores the hungry, angry, dark side of girlhood and dares to ask: Which is more dangerous for a woman—showing the world what it wants to see, or who she really is? What did you do? Mary used to be such a nice girl. She was the resident whiz kid of Liberty Lake, Minnesota—the quiet, chubby teen with the scholarship to an Ivy League school. But three years later, “Ivy League Mary” is back—a thinner, cynical, restless failure who was kicked out of Cornell at the beginning of her senior year and won’t tell anyone why. Taking a job at the local grocery store, Mary tries to make sense of her life’s sharp downward spiral. Then beautiful, magnetic Olivia Willand goes missing. A rising social media star, Olivia is admired by everyone in Liberty Lake—except Mary. Once Olivia’s best friend, Mary knows better than anyone that behind the Instagram persona hides a willful, manipulative girl with sharp edges. As the town obsesses over perfect, lovely Olivia, Mary wonders if her disappearance might be tied to another missing person: nineteen-year-old DeMaria Jackson, whose case has been widely dismissed as a runaway. Who is the real Olivia Willand, and where did she go? What happened to DeMaria? As Mary pries at the cracks in the careful facades surrounding the two missing girls, old wounds will bleed fresh and force her to confront a horrible truth. Maybe there are no nice girls, after all. “Complex characters, questionable choices, and conflicted feelings about who we are and the people we leave behind combine in a compelling thriller that will have you flipping pages to discover how it all fits together.”— Darby Kane, #1 internationally bestselling author of Pretty Little Wife “Nice Girls finds itself among the most haunting of mysteries, those that resonate with our current affairs, like Alyssa Cole’s When No One Is Watching and Rumaan Alam’s Leave the World Behind. Perfect for the millennial armchair detective, Nice Girls will satisfy your true crime addiction and intensify your desire for justice.”— Paperback Paris
