They can't break me. I wasn't prepared for what came after I got arrested and sent to prison. Finding my sister in that hellhole should've been easy. I wasn't prepared to survive an alien planet straight out of a prehistoric nightmare. Facing my fears to withstand the creatures that wanted to eat me, and the four alien men that watched me like a morsel they wanted to sink their teeth into... I wasn't prepared for any of it. But I sure as hell wouldn't let it break me. --- This story contains a reverse harem (m/m/f/m/m) of fish-man, element wielding, alien heroes, mature content, violence, and probably too much language! But this isn't a regular prison ship. \*Torture.\* \*Experiments.\* They alter me. And when the ship crashes on an alien planet, some of my new abilities come in quite handy--it's the side effects that aren't entirely welcome. Not by me, anyway. Blocked This is her shot. Brit has the chance to make history by being the first female goalie to play for an NHL team, the San Francisco Gold. So, when she is introduced to Stefan, the Gold's captain, she is determinedly not interested. Stefan is sexy, charming, and has a publicly documented list of conquests a mile long. Brit is unwilling to risk mixing business with pleasure, even when that business is wrapped up in a six-foot-plus, gorgeously muscled package. When

management pushes Brit and Stefan together in an effort to gain good press for the beleaguered team, Brit finds that her carefully calculated disinterest doesn't mask her body's desires. The more she falls for Stefan, the more she risks her career. Will she be able to have it all—a starting position and the heart of the captain? Or will she lose everything? Backhand Mike Stewart is a bad boy. Sleeping around. Boozing. Fighting with teammates. Name a bad behavior and he's done it—done it so well, in fact, that he almost tanked his career as a starting defenseman for the NHL's San Francisco Gold. But Mike is done with all that. He's starting with a fresh foot forward and putting his past behind him. That is, until his past quite literally reappears before his eyes. Sara Jetty is just as beautiful as she was a decade before, but Mike hasn't seen her since she scored a gold medal in women's figure skating. Now something has put shadows in her eyes, a familiar type of hurt he is all too well-versed in. This Sara wants nothing to do with him. Their easy friendship is gone and in its place is a hardened woman who's nothing like the girl from his past. Still, Mike hasn't become a top defenseman in the NHL by being afraid of hard work, and he isn't about to let Sara push him away. Come hell or high water, he's going to crack her tough outer shell and find the sweet, innocent woman he's lusted after and loved, in equal measure, for more than ten years. Boarding Muscles. Mandy's work was supposed to be regulated to muscles. Well, muscles and ligaments and tendons . . . and general body health and—Blane was her fantasy—literally her nightly fantasy. He was sexy, strong, talented, and normally she would have thrown herself at his feet and begged for a night—or, cough, more—showing him exactly what that fantasy was. But that would mean she would get fired . . . and worse, so would he. She couldn't have that on her conscience, not when Blane was a gifted player for the San Francisco Gold. Plus, he was a professional athlete

and their relationships were doomed to fail. Mandy knew that firsthand and she also knew she couldn't live that life. Always being the one left behind, always way down on the priority list. Hockey was his job and it was all consuming. That was reality and everything was fine. Until Blane got hurt. Until she was spending more time with him. Much more time. Until Blane told her she was his fantasy too. Empty Net: Never Before Released Novella Empty. That was her life. What? No. Shannon had been referring to the other half of the duplex she lived in, the half that her best friend and fabulous baker of a business partner, Molly, had moved out of when she'd reunited with the love of her life. But, if she was being truthful, Shannon's life was a little empty. She had a steady and growing business, even helping Molly expand their joint venture into the Gold Mine, arena for the San Francisco Gold, but she was bored and well . . . a little empty. Until Evan moved into the other half of the duplex and tall, dark, and brooding took over her life with the ease of a fire alarm blaring through the quiet, night air.

They say crime doesn't pay . . . but what if it's done in the name of love? Being left behind by my boyfriend and getting arrested wasn't part of the plan. Neither was becoming a test subject for a mad scientist, a crash landing in the prison spaceship and then struggling to survive in a deadly alien jungle. I could have paid with my life, instead, I was given two incredible reasons to love again and this time the thing I need to do is to hold on to them. Love condemned me, now it's the only thing left that can save everything I hold dear. Simply enduring is no longer enough. I want to truly live. A fresh, new Canadian author, who is comparable to Marion Zimmer Bradley, debuts a brand new fantasy trilogy for all ages. The quest is on to find the coveted Stone of the Stars on the mystical isle of Trynisia, once a place where humans dwelt side by side with dragons. Four have set off on their journey to reach it-Ailia, a daydreaming bookworm; Damion, a devoted missionary; Jomar, a half-breed soldier-slave; and Lorelyn, quite possibly a prophesied savior, who will one day guide her people in a battle against the Dark God. But can they reach the isle and the Stone of the Stars before the tyrannical God-King Khalazar finds it and uses it to rule the world?
