~~Bilingual Education in the 21st Century: A Global ...~~

In Bilingual Education in the 21st Century: A Global Perspective, Ofelia García has created a much-needed handbook of bilingual education which includes its development over the last couple of decades, its current state in the field, and how it should be viewed in the context of insightful theoretical and empirical considerations from a global perspective. Furthermore, the book has provided inspirational arguments which support a need for heteroglossically informed education programs.
