The Brotherhood was a circle of demons and other evil magical beings who have gathered to gain control of the city of San Francisco. This new Brotherhood took their name from the former Brotherhood of the Thorn, a group of demons that were vanquished by the Charmed Ones, although there is little connection between the two brotherhoods.

What if at death, you were given the choice to keep living? Continue the Beloved saga in the second book in this award-winning sci-fi series of good vs. evil! A young Civil War major, Daniel Parker, is killed during a fight at Antietam. Not all that unusual, except that it's not another an enemy soldier who does the deed, but a vengeful demon who disguises himself as an officer to enact his sworn revenge against the Beloved. Meet Benedict. Daniel is given the choice between passing into the Father's kingdom or joining the Brotherhood of the Beloved. When Daniel accepts the bizarre offer, he returns to his family as a Beloved, thinking his experience was the result of an injury-induced hallucination. His family, unaware of his death, eagerly welcome him back home, particularly his younger, gentler brother, Jonathan. When Bernard- Daniel's assigned guardian- arrives, though, Daniel learns that his new existence is no fever dream. He really is dead. This is the second novel in a sci-fi saga of good vs. evil. (A Race of Demons) was written for people who desire to have knowledge of the absolute truth of why the world is the way that it is. This book was designed to tap into the curiosity of the few open minded individuals of our world that hunger and demand spiritual insight that opens up an entire world that discusses the facts of the Word of God and the demonic evils that plague humanity. This is not a book for the weak or light of heart. I directly address specific issues which I believe to be evil in nature and committed by wicked men of the White Brotherhood (The Illuminati). This book will challenge the strength and values of your very being as it was meant to do. This book is for the homeless person living on the streets who wonders why things are so bad in this world. This book is for the soldier overseas in

This book is for the people of our world who struggle everyday just trying to survive. A Race of Demons was written to educate strong willed people who live in everyday turmoil and fear a life without hope. This text was authored to expose the evils of those men who prey upon the weak and who take advantage of the spiritual wickedness that has empowered them to bring death, murder, and destruction to God's creation. This book is for all of the people that seek the absolute truth and the face of God Almighty. J.R.Willis

As he navigates death with his newfound talents, Gabe doesn't realize his biggest challenge lies ahead in trusting the other Beloveds. It turns out that the newest demon-hunter isn't the only Beloved with incredible powers. Gabe's story as a modern-day beloved is juxtaposed against the story of Michel, the very first Beloved. Bridesmaids meets Buffy with a dash of the seven deadly sins. The age-old story of what happens when a foul-mouthed, romance impaired heroine with no edit button and a predilection for hot sex is faced with her worst nightmare - a purpose. Ari Katz is intelligent, driven, and will make an excellent demon hunter once initiated into the Brotherhood of David. However, this book is about his twin Nava: a smart-ass, self-cultivated hot mess, who is thrilled her brother is stuck with all the chosen one crap. When Nava half-drunkenly interrupts Ari's induction ceremony, she expects to be chastised. What she doesn't expect is to take her brother's place among the-until now-all-male demon hunters. Even worse? Her infuriating leader is former rock star Rohan Mitra. Too bad Rohan's exactly what Nava's always wanted: the perfect bad boy fling with no strings attached, because he may also be the one to bring down her carefully erected emotional shields. That's as dangerous as all the evil fiends vying for the bragging rights of killing the only female ever chosen for Demon Club. Odds of survival: eh. Odds of having a very good time with Rohan before she bites it: much better.

Marcus Curran must make an attempt to open the path from earth to the heavens in order to free the spirits of the dead who are languishing in limbo. His wife Lori is among those who have been barred from entering heaven. In order to break the spell, he needs help from the Brotherhood of Life who will guide him in his quest to reunite the three pieces of the Amulet of God so that he can defeat the Demon of Fire and Ice. He must take on the mantle of immortality to fight the demons but in doing so, he risks losing his eternal soul. Even when he is betrayed by the person whom he trusts the most, Marcus knows that he can't falter - or else the spirit of his wife would never forgive him.

Nava Katz has a lot on her plate: Brotherhood: unmask. Demons: slaughter. Guy problems: terminate with extreme prejudice.
