Documentation
you through the
details of your
dressing change, but
here is my general
overview.

[How to Change Your
PICC Line Dressing -
Mighty Well](#)

A PICC line, or
Percutaneously
Inserted Central
Catheter, is a medical
device that is placed

Where To Download

into a vein to allow access to the bloodstream.

Pronounced "pick," the line is a type of vascular access device that allows fluids and medications to be given to a patient.

PICC Line Insertion,
