This is a very simple book, and my son loves it when me or his dad read it to him. We act out the "my dad kisses me" and "my dad tickles me" pages, and he just cracks up. He's still too young to read it himself, but he definitely loves looking at the pictures and flipping through it on his own. We got it when my son was around 8 months (he's now 16 months), and it has still kept his interest ...
