Organizational Behaviour

Understanding And Managing

The Meaning of

Organizational Behavior

Organizational behavior (OB)

is the study of human

behavior in organizational

settings, how human behavior

interacts with the

organization, and the

organization itself.

Organizational Behavior - Introduction - Tutorialspoint

The field of organizational behavior covers the body of knowledge derived from actions and attitudes exhibited within organizations. It can help managers understand the complexity within organizations, identify problems, determine the best ways to correct them, and establish whether the changes would make a significant difference.
