Overruled is book one in Emma Chase's new Legal Briefs series. Funny, witty, sexy, this one had it all. I loved how the story started out in the past and moved forward with the main character. I also loved that it was written in dual p.o.v., because Emma Chase writes the male perspective perfectly.

Overruled is book 1 in The Legal Briefs series. I knew I had to try this series after seeing such good reviews for it. So when Audible had a 2 for 1 credit sale going on and these were on there, I grabbed them as fast as I could. While starting out in DC we head to a small town for a good chunk of the story, and I love novels that have that vibe.
