Over 60 billion online messages are sent on digital platforms every day, and only a select few succeed in the mad scramble for customer attention. This means that the question for anyone who wants to gain mass exposure for their transformative content, business, or brand or connect with audiences around the globe is no longer if they should use social media but how to best take advantage of the numerous different platforms. How can you make a significant impact in the digital world and stand out among all the noise? Digital strategist and "growth hacker" Brendan Kane has the answer and will show you how-in 30 days or less. A wizard of the social media sphere, Kane has built online platforms for A-listers including Taylor Swift and Rihanna. He's advised brands such as MTV, Skechers, Vice and IKEA on how to establish and grow their digital audience and engagement. Kane has spent his career discovering the best tools to turn any no-name into a top influencer simply by speaking into a camera or publishing a popular blog-and now he'll share his secrets with you. In One Million Followers, Kane will teach you how to gain an authentic, dedicated, and diverse online following from scratch; create personal, unique, and valuable content that will engage your core audience; and build a multi-media brand through platforms like Facebook, Instagram, YouTube, Snapchat, and LinkedIn. Featuring in-depth interviews with celebrities, influencers, and marketing experts, including: • Chris Barton, cofounder and board director of Shazam and former head of Android business development for Google • Ray Chan, CEO and cofounder of 9GAG • Julius Dein, internet personality and magician with nearly 16 million Facebook followers • Mike Jurkovic, Emmy Award-winner and creative director of will.i.am and the Black Eyed Peas • Phil Ranta, former COO of Studio71 and VP of network at Fullscreen • Eamonn Carey, managing director at Techstars London • Jonathan Skogmo, founder and CEO of Jukin Media, Inc. • Jon Jashni, founder of Raintree Ventures and former president and chief creative officer of Legendary Entertainment One Million Followers is the ultimate guide to building your worldwide brand and unlocking all the benefits social media has to offer. It's time to stop being a follower and start being a leader.

Are you looking for an online business that does not require a fortune and phenomenal skills to get started? Would you invest your time in a business that if done correctly could be scaled to 10k (and more) per month in a manner of weeks? And what if then it will continue generating great profits on its own, in a completely passive mode? Then this is not the book for you!!! Sounds weird? Keep reading... Well, do not get me wrong, Dropshipping is a really great business model to trade stuff online in 2019 and beyond, however to be honest and straightforward Passive Income as most of the people intend is a pipe dream!! The potential of a Dropshipping Business is infinite, you could literally earn more money in a month than you've ever earned before (at least it's been like that for me), and requires a relative little start-up capital since you don't have to buy the things you're going to sell, but you wouldn't get anything with "little or no effort", at least in the beginning when it comes to set up the business. This handbook will literally guide you step-by-step through all the aspects that come with starting your own dropshipping business, exploring how to get started, what players are involved, what to do and to avoid, which are the most common and uncommon scenarios related and most relevant how to scale the business. Within this comprehensive guide you will uncover A step-by-step definition of what dropshipping is all about 7 reason why Dropshipping is the best choice for your new online business 6 scenarios to avoid that could drawback your business and prevent you to get the success you deserve.
