## Quick Facts About African Tribal, Animal Or Ancient Masks

In France, Henri Matisse, Pablo Picasso, and their School of Paris friends blended the highly stylized treatment of the human figure in African sculptures with painting styles derived from the post-Impressionist works of Cézanne and Gauguin.

## African Influences in Modern Art – Masks of the World

Most African Masks were symmetrical and rarely uneven. After the mask was the way they wanted they often colored the masks with the natural dyes, which were created with vegetables, plants, seeds, tree bark, soil and mashed up insects. After the mask was painted they added on some other materials that would stick off the mask and be decoration.
