ALCOHOL AND MARIJUANA Marijuana is a potent drug, and alcohol is a mind-altering chemical in liquid form. Many people don't realize that these are no different from any other drugs regarding the potential to get us into trouble. One drink is never enough; just as one puff, hit, fix, bump, pill or snort is never enough.

~~And All Other Mind-Altering Substances- Cocaine~~

Marijuana-also called weed, herb, pot, grass, bud, ganja, Mary Jane, and a vast number of other slang terms-is a greenish-gray mixture of the dried flowers of Cannabis sativa.Some people smoke marijuana in hand-rolled cigarettes called joints: in pipes, water pipes (sometimes called bongs), or in blunts (marijuana rolled in cigar wraps). 1 Marijuana can also be used to brew tea and ...
