News *The Jubilee Line Extension* By Ken Powell  
The Jubilee Line

Extension is the extension of the London Underground Jubilee line from Green Park to Stratford through south and east London. An eastward extension of the line was first proposed in the 1970s and a

# Acces PDF The Jubilee Line

modified route was constructed during the 1990s. It opened in stages from May to December 1999.

*Jubilee Line*

*Extension - Wikipedia*

The Jubilee Line

Extension was one of

the UK's biggest

construction projects

and the largest

addition to the London

# Access PDF The Jubilee Line

Underground in more than 25 years. But it was severely behind schedule. Problems with tunneling and signaling had plagued the project and inspections were also behind schedule.

'architectural  
sensation': The  
Jubilee Line ...*

The Jubilee line is a London Underground line that runs between Stratford in east London and Stanmore in the suburban north-west, via the Docklands, South Bank and West End.

# Access PDF The Jubilee Line

Opened in 1979, it is the newest line on the network, although some sections of track date back to 1932 and some stations to 1879. The western portion between Baker Street and Stanmore was previously a branch of the Metropolitan line and later the Bakerloo line, while the new
